**Dear Ms. Cannon:**

Per paragraph 4 of the Declaration of Perpetual Land Use Restrictions recorded October 12, 2004 in Deed Book 1524, at Page 338, Caldwell County Registry, Caldwell County hereby certifies to DENR that the said Declaration is still recorded in the Office of the Caldwell County Register of Deeds and that activities and conditions at the property described in the said Declaration remain in compliance with the land use restrictions herein, except that the two wells located on the property have not been abandoned in compliance with all applicable State regulations in that they have not been filled in. However, all pumps and piping which would enable any person to access water from these two wells have been removed, and both wells and been capped and locked. These two wells have been maintained in this condition to use for monitoring purposes, with DENR's knowledge and consent.

These certifications have been true and accurate at all times since the recording of the Declaration on October 12, 2004. Please accept this as the County's annual certification for 2007. Thank you.
